

Hendon Football Club Supporters Trust

Business Referral Scheme

HFC Supporters Trust have teamed up with Image Group Holdings Ltd, who own two Financial Services Authority authorised companies, Image Finance Ltd (Mortgage and Protection) and Finance 2000 (Financial Services). They will pay us a commission for every completed piece of business introduced by us. It does not cost you, your friend, family member or associate any more than it would do if they had gone direct. We will earn 20% commission on every completed transaction. This will be a very lucrative earner if we all play our part.

We have managed to secure this deal via John Rice, a Society Board member. John has negotiated with his company and established simple working guidelines and will oversee the entire project. All initial contact will proceed through John who will ensure our introduced business goes to the right department. He will then monitor each deal from start to finish.

What do you have to do?

- **VERY IMPORTANT** Contact John Rice and give him your name. (His details are below).
- John will provide you with his business cards. (As many as you want).
- When you encounter someone requiring financial services (whether it is tomorrow, next week, next year), hand them one of John's cards and suggest they give him a call.
- If possible, drop John an email to let him know the name of the person.
- On completion of the deal Image Finance Ltd will send the Trust a cheque. The Trust will then let you know the cheque has arrived.
- Simple as that. Very little is required of you and it can raise us some serious money.

Examples:

A residential mortgage that earns a fee of £1500 will give us £300.

A commercial mortgage that earns a fee of £10,000 will give us £2,000.

Just for handing someone a business card.
